**Re: Joint Application for Authority to Transfer Intercompany Assets and for
Approval of Accounting Authority on behalf of Duke Energy Carolinas,
LLC and Duke Energy Progress, LLC - Docket No. 2018-233-E**

Dear Ms. Boyd:

On July 11, 2018, Duke Energy Carolinas, LLC and Duke Energy Progress, LLC (the "Companies") filed a Joint Application for Authority to Transfer Intercompany Assets and for approval of Accounting Authority ("Application") with a request for expedited review. The application is currently on the Commission's agenda for consideration during its meeting scheduled for Wednesday, July 25th. This letter is to request that this matter be carried over to allow the Companies time to amend the application to add additional parts to the transfer list. Due to an administrative error, certain parts that should have been covered by this application were not included. Those parts, like the rest of the parts covered by this application, will be used during a planned outage scheduled for the middle of August. We therefore plan to promptly file an amended application and provide it to the Office of Regulatory Staff for review.

Thank you for your consideration of our request. Should you have any questions, please contact me.

Yours truly,

Frank R. Ellerbe, III
